Fundraising Ideas that bring people together

Ideas to bring people together...	and raise money
Hold a <b>Multi Coloured Mufti Day</b> , employing the colours of the Mission Rosary. Ask the whole school community to take part – including parents, carers and family members.	Ask pupils and staff to pay a set donation to wear their own Mission Rosary coloured clothes.
If a Mufti Day isn't possible, try holding a <b>Multi Coloured Socks and Shoes Day</b> .	Ask pupils and staff to make a set donation.
Host a <b>Colourful Cake</b> and / or <b>Cakes from the Continents</b> sale. Biscuits are also allowed. Ask parents and carers to come along. Award certificates for the most colourful and most tasty cake.	Set prices for cakes and buns, reminding people of the Mission Together projects their donations support. Our website page 'Our Campaigns' provides examples of various projects.
<b>Create a Real Life Mission Rosary.</b> See if you can gather enough Mufti Day pupils, staff and parents, to create your school's own mission rosary. You'll need a big space—do remember to capture results on camera and send them to Mission Together!	You can order Mission Rosaries from our website for a minimum donation of £1 each. Your purchase helps support Mission Together projects overseas and encourages your pupils to become 'children helping children' through prayer.
Hold a mini <b>world football tournament (or sport of your choice)</b> involving as many members of your school community as you can, with each team representing a different continent. Use the Mission Rosary continents as a guide (visit Mission Together's website to find out about our Mission Rosary).	Ask players to pay 50p to take part, encouraging as many pupils and staff to play as possible, even if only for a few minutes. Invite your parish Priest and / or local Religious Sisters to take part too! At best, all ages and abilities should be involved, reminding us that we are all 'One Body' in Christ.
Hold an <b>Advent/Christmas fancy dress</b> day, inspired by the nativity characters.	Ask pupils and staff to pay a set donation and invite your Parish Priest to award certificates e.g. most caring shepherd, wisest Magi, most helpful angel.
Hold a school community <b>Carol Concert</b> . Invite school families and friends. Ask adults to take home a ' <b>Joyful Angel</b> ' decoration, made by pupils. See <a href="https://missiontogether.org.uk/advent/">https://missiontogether.org.uk/advent/</a> . Or ask them to add a prayer to a 'Peace Paper Chain' (same link), then use the chain to decorate your school or parish Church.	Ask donations for all of these suggestions, making good use of our Mission Together collection boxes. These boxes – and our school posters – can be ordered via our website <a href="https://missiontogether.org.uk/materials-order-form/">https://missiontogether.org.uk/materials-order-form/</a>
Thank you for your support	More fundraising ideas on reverse

# Mission Together

Fundraising Ideas that bring people together

Ideas to bring people together...	and raise money
<p>Invite your staff to undertake our <b>Advent Symbolism Quiz</b> <a href="https://missiontogether.org.uk/advent/">https://missiontogether.org.uk/advent/</a> Award the winning team (who not only pick the correct answer but can predict the additional Information too), with a prize of your choice! The quiz is designed for pupils, but is fun and informative for adults too!</p>	<p>Ask staff to make a donation to play (maybe using our Mission Together collection boxes, order via <a href="https://missiontogether.org.uk/materials-order-form/">https://missiontogether.org.uk/materials-order-form/</a> You could use the Bethlehem star quiz question to remind staff of our Together in Jordan campaign - the Magi would have followed the star through Jordan.</p>
<p>Invite staff to bring in photos of themselves as infants (you could ask your Parish Priest to take part too). Number the images, attach to staff notice board, and have colleagues <b>guess the baby!</b> Ask participants to submit their answers on a sheet of paper, then total up correct scores to find the eagle eyed winner.</p>	<p>Ask for a set entry fee to the competition. Inform staff that Mission Together supports children living in poverty and turmoil overseas, with 97% of money raised going direct to checked and approved children's projects.</p>
<p><b>Pin the tail on the Donkey or Camel!</b> Our Together in Jordan Advent resources cite places and characters familiar in the Christmas Story. Invite pupils and staff to have a go at this well known game, reminding them of the role the animal played in the first nativity.</p>	<p>Charge a set amount to play the game, allowing pupils only one chance to play (so as not to disadvantage pupils with less resources). Write the name of each player alongside their mark and award the closest players with a certificate or small prize.</p>
<p>Sell our <b>Mission Rosaries</b> to pupils and parishioners, especially in October and May - months dedicated to Mary. Ask your parish priest if you could hold a pop up rosary stall after a Sunday mass, decorated with our Mission Together posters.</p>	<p>Our Mission Rosaries can be ordered via <a href="https://missiontogether.org.uk/materials-order-form/">https://missiontogether.org.uk/materials-order-form/</a> We ask for a £1 donation to cover production and postage, a small increase on this could generate welcome funds for our overseas children's projects.</p>
<p>Our Together in Jordan Lent assembly and activity highlights the importance of listening, and how we can listen to Jesus through prayer and stillness. A <b>Sponsored Silence</b> involving pupils and staff, would be a fitting Lenten fundraising activity.</p>	<p>Create a simple sponsor sheet, with a suggested amount for each 00 minute slots (insert a time depending on age).</p>
<p>Thank you for your support</p>	<p>More fundraising ideas on reverse</p>
